

Revolution Dog Sports

2024 Sniff Camp

Snacks, beverages and fun enrichment time for you and your dog are included. Each day includes instruction, hands on exercises as well as summer camp activities you and your dog will love.

Monday – The Nose Knows

Session covers understanding how odor works, building confidence, supporting our canine teammate through increasingly challenging puzzles. Exhibitors may choose their own odor from the following:

- Food
- Birch / Anise / Clove
- Rats or Gerbils
- Lost Item
- Owner Provided

Tuesday – Sniffing Games

Let's play games! We'll start the day with fun games to grow skills and confidence with our canine teammates. Games focus on handling strategy, line handling and supporting our canine teammate in scent sports. Then you'll team up with friends for our Sniffastic Escape Room Adventure to help Snacks, beverages and fun enrichment time for you and your dog are included. Odors used:

- Games: Birch, Anise and clove
- Escape Room: Various odor

Wednesday – Amazing Sniff Race

Your way will start off with part Amazing Race, part scavenger hunt as you make your way around the region using your dog's amazing nose to solve puzzles. This day provides unique opportunities to search in different places, practice your start line routines and have loads of adventure. Work in a team or work on your own! There's no wrong way to play the game! While your dog sleeps the afternoon away, we'll practice goal setting and planning for all levels of competition over snacks.

Thursday Extra Curricular Fun

This day is filled with fun and games geared towards relaxing and relationship building with your dog. If you've been to sniff camp, you know how important it is to cross train and taking time to just be! We've got you covered as we explore reinforcers and how to use them. Stay for dinner and a movie with your bestie!

Revolution Dog Sports

2024 Sniff Camp

Friday – Tracking and Trailing

Let's hit the field and explore the differences between Tracking & Trailing. Develop existing skills or find new ones. This year has a new twist that we think you and your dog are going to love. Tracking utilizes human odor while trailing will utilize fox odor. Electives include environmental confidence, focus and fun through canine parkour! Parkour exercises can easily be tailored to puppies, seniors, athletes and more!

Saturday – Stamina

On Saturday we'll be working at Imagination Station Learning Center. The name of the game is stamina through multiple hides and multiple search areas while practicing rest and recovery. We'll also explore how different individuals set hides and how disruptions to search areas affect dogs. (Got spit?!) Interior, exterior and vehicle searches.

Session covers understanding how odor works, building confidence, supporting our canine teammate through increasingly challenging puzzles. Snacks, beverages and fun enrichment time for you and your dog are included.

Exhibitors may choose their own odor from the following:

- Food
- Birch / Anise / Clove
- Rats or Gerbils (multi hide searches are limited but available)
- Lost Item
- Owner Provided

Sunday Sniff & Go

Join us for a light breakfast with friends and dogs to celebrate all our accomplishments. Stay for arts and crafts plus a Sniff and Go at Imagination Station Learning Center.

- NASDA Trial: Specialty Odor, Lost Item Challenge 1, 3, 5, ULGCH
- Sniff and Go: Scent Work
